SPRING SEASON COMES TO END FOR TANFORAN

Feature Of Getaway Day Is Marchbank Handicap With Many Stars Entered

No race run in America this year has the international appeal of the $15,000 added Marchbank Handicap at Tanforan, Saturday, June 4.

A survey of the contenders today reveals:

Ligaroti (owned by Bing Crosby and Lin Howard), a stakes winner from the Argentine, holder of the mile record at Buenos Aires.

Plutarco (owned by Lawrence Barker, importer of Caballero II), a stakes winner on the Chilean turf.

Sumatra 3rd (owned by Lawrence Barker), Argentine bred, but raced against the best horses in Chile, winning several important stakes.

Gandhi 2nd (owned by Lawrence Barker). Another Chilean horse which has been training in impressive fashion.

Frexo (owned by Raoul Walsh). A handicap winner on the French turf.

In addition to these five foreign bred stars, Indian Broom, holder of the world record for a mile and an eighth, and his flashy stablemate, Whichcee, are Canadian owned, flying the silks of the A. C. T. Stock Farm, owned by Major Austin C. Taylor of Vancouver, B. C.

The high esteem in which Ligaroti is held is reflected by the fact that he was given the top weight of 124 pounds in the mile and an eighth engagement Saturday.

In the meantime, contenders for the important race are receiving their final short, snappy trials expected to put them on keenest racing edge. All of them have been racing and their final workouts are necessary only to "hone" them up to top pitch.

JEFF STUDENTS WIN AWARDS IN STATE CONTEST

Make Good Records In Accuracy And Speed In Annual Tests

The awards from the third annual state typing and stenography contests, which is sponsored by the Modesto Junior College, were given out Wednesday at an assembly held in the Jefferson Union High School Gymnasium.

Evelyn Ciemoli, a sophomore, won fourth place in this state-wide contest for accuracy and fifth place for speed in the same test. Her rate was 65 words a minute, with one error, with fifteen minutes of typing. She won two medals for her splendid work.

Rose Shiffman took eleventh place in accuracy in the unlimited division, with 44 words a minute and one error. Jean Terry won twentieth place, with 52 words a minute and two errors. Pins were awarded to both girls.

Certificates of proficiency were awarded the following students: Evelyn Ciemoli, Melba Nelson, Edith Shiffman, Jean Terry, Rose Shiffman and Lorraine Day.

The stenography awards were presented to Edith Taylor, who won a 60 word certificate with a 99.7 accuracy; Jean Terry, an 80 word certificate with a 99.6 accuracy; Melba Nelson, 99.2 accuracy; Ruby McGlumphy, 97.9, and Edith Shiffman, 97.9, all in the same section.

The above students are enrolled in the classes of Miss A. Dorothy Smith.

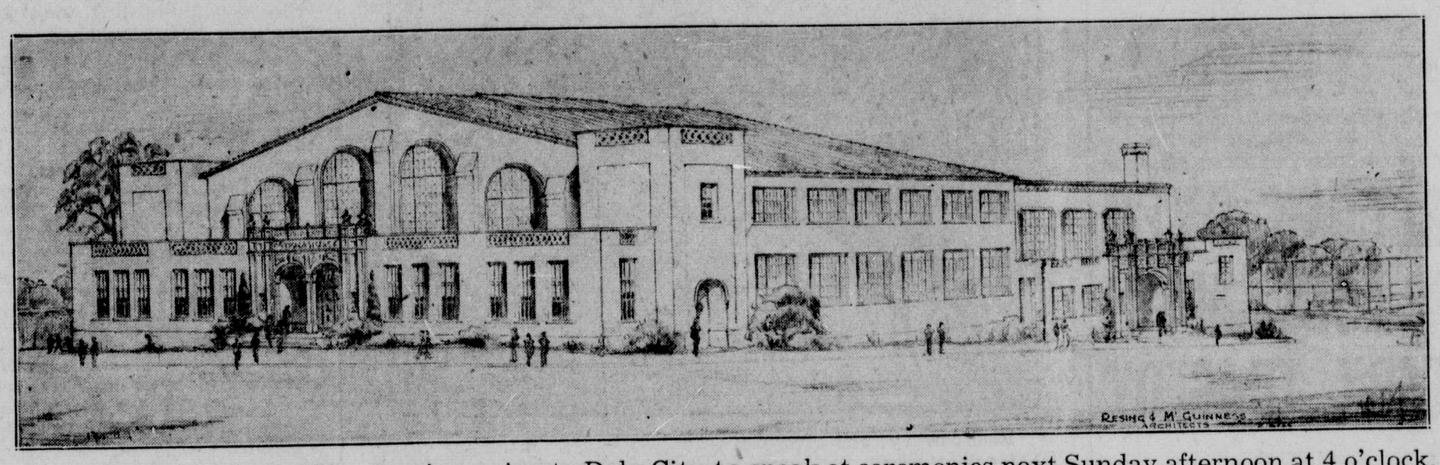
Accuracy awards in typing were presented to Eleanor Conserva and Ruby McGlumphy, advanced students in typing of Miss Marjorie Robinson.

Cousin Of Earhart Crashes In Plane

Near Indianapolis, Monday of this week, Cecelia Earhart, 34, of Toledo, a cousin of the late Amelia Earhart, narrowly escaped death in a plane crash.

She was taken to a hospital with a brain concussion and face cuts.

To Be Dedicated Next Sunday



Governor Frank Merriam is coming to Daly City to speak at ceremonies next Sunday afternoon at 4 o'clock. New $200,000 gymnasium and swimming pool at Jefferson Union High School is best physical education plant in entire bay area.

RACING PLEA IS DENIED TO FIESTA BY COMMISSION

Board Believes Protests Sufficient To Sustain Action For Refusal Of Dates

At a special meeting of the California Horse Racing Board, held in San Francisco Friday of last week, that body denied the request of the San Mateo County Fiesta Commission for permission to conduct a six day racing meet at Bay Meadows this fall in conjunction with the county floral fiesta.

Representatives of the commission told board members they were "not asking for racing dates to promote a fair," but were planning the races as part of the festivities, together with a rodeo and other usual entertainment.

Carlton F. Burke of Los Angeles, racing board chairman, stated to the fiesta representatives, after the refusal, he hoped they would explain to their community the action was in accord with the board's general policy.

"We are only trying to do what is best for the community," he said. "We have had numerous objections from all over the state to any increase in the amount of racing, and many requests for a decrease. We have not felt there was any objection to harness and other racing events being held at fairs sponsored by horticultural interests, but they should be held as an adjunct to the fair, not as a primary feature."

Telegraph messengers bearing protests to granting of the racing dates were on hand before the board as-

HOBBIES CLUB GUEST SPEAKER TALKS OF STAMPS

As a closing event for the Hobbies Club, which is one of the activities sponsored at Jefferson Union High School, a guest speaker was invited to appear before the club in order to present accurate information on stamp collecting.

George Hughes, well known stamp collector of the Peninsula and former postmaster of San Bruno, was the special guest of the club last week. He traced the history of air mail in the United States and showed an excellent collection of air mail stamps which have been used over the twenty year period since that type of postal service was introduced commercially.

The portrait of Washington, which Mr. Hughes made from stamps, was also exhibited. It has been shown in many stamp exhibits throughout the country. Other interesting displays were exhibited to the students as well as his own very fine private collection of stamps.

The Hobbies Club invited other members of the student body to enjoy the lecture by Mr. Hughes and nearly a hundred were in attendance at the club meeting. The club has as its sponsor Clive M. Saiz, history instructor.

MANY OFFICIALS AND GUESTS AND HUNDREDS OF CITIZENS PLAN TO ATTEND HIGH GYM OPENING

Exhibition Games And Swims To Follow Afternoon Speeches—Pool To Be Open Each Afternoon And Evening Except Mondays During Summer Months

Jefferson Union High School will dedicate its gymnasium and swimming pool next Sunday afternoon at four o'clock.

Governor Frank Merriam is making a special trip here in order to deliver the dedicatory address.

Invitations have gone to many leaders of civic life, as well as educational leaders of the bay area, and it is expected that many parents, as well as former students will be present to enjoy this unusual occasion.

The building, one of the most modern of its type in the state, costs over $200,000. The swimming pool is beautifully tiled and has an attractive submerged lighting system.

The pool and gymnasium are being used for adult classes in the evening as well as for the students during the regular school periods. The pool will be open during the summer afternoons and evenings every day except Monday. Grammar school youngsters will use the pool on Saturday mornings for a very small fee.

Following the brief dedicatory ceremony and the governor's address, both the pool and the gymnasium will be open to the public to see badminton, volley ball and basketball games, as well as tumbling, and there will also be an exhibition of swimming.

LOOK OUT FOR OTHER FELLOW

Last week we called attention to the fact that almost twice as many people have been killed in traffic accidents during the past fifteen years as were killed during the fifteen years that covered the six major wars in which the United States was engaged. Any thinking person who has any sense of individual responsibility to his fellow men, of course, realizes that something must be done to stop this slaughter.

The problem of stopping it is squarely up to you as an individual driver and pedestrian. This is a good time to take stock of yourself.

As a pedestrian, use your common sense; resolve not to rabbit out in traffic, and to cross only at cross walks and with the signal.

As a driver, remember that your responsibility is a serious one. The lives of your passengers, other motorists, pedestrians and yourself depend on your caution and common sense. — San Mateo County Traffic Safety Commission.

RODEO THRILLS AT LIVERMORE NEXT WEEK END

Twenty-two thrilling events will provide two days of action at the Livermore Rodeo on Saturday and Sunday, June 11 and 12, as the twenty-first annual competition in the sports of the Old West is presented.

The program begins with the famous pioneer parade Saturday morning at 10 o'clock, followed by the cowboy parade at 12:30 and the grand entry at the Rodeo grounds at 1:30. Finals in the Rodeo events will begin Sunday at 1:30 p. m. Dancing, carnival attraction and numerous other special features are scheduled for both days.

Saturday will be children's day, all children of grammar school age being admitted free to the Rodeo if accompanied by an adult.

LINCOLN CLASSIC TO BE HELD FOR ONE MORE WEEK

Farce Comedy Will Be Next Offering Of Federal Theater Project

Most successful of all Federal Theater productions in San Francisco, "Prologue To Glory," the Abraham Lincoln classic dealing with that period of his life when he lived and worked as a store clerk in New Salem, Ill., will be held over at the Alcazar another week, closing Saturday night, June 11. This announcement came from Charles P. Teevin, district supervisor, following another announcement that "Prologue To Glory" had broken all local Federal Theater box office records. Saturday afternoon matinees for students and young people had been particularly successful.

"Squaring The Circle," a farce comedy by Valentine P. Katayev saturizing the Russian five-year plan and the Soviet system in general, will open at the Alcazar, Monday night, June 13. Mail reservations are already being received for the opening performance. "Squaring The Circle" has been produced successfully in practically all important European countries and is still running in many Russian towns.

GREYHOUNDS TO RACE AT BADEN SATURDAY NIGHT

New And Unusual Features Have Been Added To Equipment This Season

Hundreds of blue blooded racing greyhounds, "America's fastest," have been trained to perfection for the return of the "sport of queens" to Baden Kennel Club in South San Francisco, which opens its 1938 meeting tomorrow night.

Feature event of the eleven races will be the traditional Inaugural Trophy Race. First event starts at 8:15 p. m.

Baden Kennel Club, which inaugurated photo finish, safety hurdles, glass starting boxes, and the rail running, disappearing mechanical lure, this year has installed a $2000 electrically controlled result board, according to Club President R. C. Stickle, to speed posting of results and to announce dead heats as readily as the usual first, second and third.

Highlights of the 1938 meeting, it was announced, will be the $1500 Baden Derby, and the $1000 California Derby limited to California bred two year olds and under. Scores of the nation's fastest kennels have sent swift dogs to the South San Francisco track to try for the rich stakes.

The 1937 Baden Derby, run on closing night nine months ago, was won by Doctor Vance, owned by E. B. Pate of Burlingame. Among the new kennels attracted by the stake is that of Ollie Ostendorf, who raced at West Flagler last winter. His entry in the Futurity, Fence Guard, ran second.

The South San Francisco track, located on Orange avenue, is easily reached via El Camino Real and Bayshore highway. Market Street Railway and Pacific Greyhound run special schedules for Baden fans. No unaccompanied minors are admitted.

A heated grandstand and musical entertainment between races by Fred Lamb and his orchestra are among the features offered by Baden.

The track will stage a dress rehearsal tonight, when the final schooling races will be run under the lights. The public is welcome, the track management has announced.

Fred Peterson For County Executive

Colonel Fred Peterson of Burlingame came out, this week, with a formal announcement of his candidacy for county executive.

The striking point of Peterson's platform is the declaration of his belief that the county has sufficient talent to operate its government without going outside to import its officials, in which the majority of our citizens concur.

NOTED OFFICIAL DIES AT THE AGE OF 75

Prince Pietrolanza di Scalea, vice president of the Senate and Undersecretary of Foreign Affairs immediately before the World War, died in Rome recently.

BROODING OVER JOB LOSS CAUSES STARK TRAGEDY

Electrician Helper Kills Foreman And Wounds New Employe

Becoming enraged after long brooding over loss of his position as electrician helper at the Baden Kennel Club track, near South San Francisco, Tony Gicconi shot and killed his former foreman and seriously wounded the man who had just been employed to fill the position from which he had been discharged.

The tragedy occurred Wednesday morning of this week and was enacted at the infield of the Baden Kennel Club greyhound track, near South San Francisco, where preparations were in progress for the opening of the course tomorrow, Saturday, evening.

The victims were Edmond P. Kaiser, 40, San Bruno, the track's chief electrician and also chief electrician at Tanforan, who was killed instantly by two bullets in the back. Seriously wounded was James Patterson, 43, Sharp Park, an electrician reporting for his first day on the job, who was shot twice in the stomach and once in the left arm.

The man sought as the killer was Tony Gicconi, 46, South San Francisco, who, according to Patterson, escaped on foot with a .25-calber revolver in his possession.

Shortly after the shooting, doberman pinscher dogs, borrowed from Berkeley police by local authorities, picked up the killer's trail and led a posse across a field and through a thicket to the edge of Linden avenue. There the scent ended, and police came to the conclusion Gicconi had hitch-hiked a ride. All southbound

A HUNDRED AND FIFTY STUDENTS TO GET DIPLOMAS

Several Of These Will Receive Aid In Attending University

With Commencement Day set for Thursday morning, June 9, San Mateo Junior College will give diplomas to 150 outgoing students in the Woodland Theater in Hillsborough. Dr. Tully C. Knoles, president of the College of the Pacific in Stockton, will give the graduation address. The graduates will present a gift to the college, while several of the students will be given scholarships to aid them ingoing to some university. Music by college groups, the marching of the faculty and graduates in caps and gowns, and the presenting of the class will all add to the program.

Before attending the commencement, the graduates will meet for a class breakfast. The following evening, Friday, June 10, the students will hold their sophomore formal dance in San Francsico.

This week the Junior College started its final examinations and just about closed off all student activities. Four of the members of the track team, however, are continuing practice, as they hope to go to Buffalo in July to compete in a national track meet. While the boys can pay part of their trip expenses, they hope to receive some aid from the outside. Each boy is a star in his particular event and should place in the national meet.

Students have received their annual, the year book that depicts the history of the college for the year, and their literary magazine, which prints the original student work in prose and verse.

The Junior College recently presented a play, "Devil's Luxury," at the fourth annual drama festival held by the college and local high schools. Jefferson, Burlingame, San Mateo and Palo Alto high schools also rendered short productions.

HONOR VALENTINO

The memory of Rudolph Valentino, idol of the silent screen, was honored in Hollywood by 250 women under the sponsorship of the Actors Guild of America, who recently placed a wreath on the Valentino tomb.

ROCKAWAY BEACH PEDRO VALLEY

By C. H. T.

Over the holiday week end, the weather played its prankish trick on those who planned to spend three sunny days outdoors. On Friday the fog began to rise, and the dullness increased and continued until Monday afternoon, when visitors were sadly packing up to leave. By Tuesday morning all was normal once more, the day coming up over the hills in a glorious glitter of brightness. Many visitors arrived, Friday, for the holiday, and the highway along the coast was a stream of cars, the beaches full of picnickers. Local houseflags were at half mast in honor of the Memorial Day.

* * *

Jim Shawk of Rockaway Beach caught an 18 pound cod, and a 12 pound cappizoni, in a brief hour's fishing, one day last week.

* * *

A brand new car, parked too near the edge of the sea-bank near the Pedro station, went over, rolling until it came to a stop at the water in the middle of the rocky shoreline. Fortunately nobody was in the car when it fell. Report, which thus far omits to give the name of the car's owner, states that the brakes were probably not carefully set, causing the accident.

* * *

Roy Schwartz and his wife are anticipating what Walter Winchell terms "a blessed event" in the near future. Their summer home is being improved by the building of an enormous livingroom, which will overlook scenery unrivalled in this locality.

* * *

Wild strawberry jam has been a popular dish here for several weeks past. Mrs. Forrest Cubbon has put up a quantity of the fruit which she gathered on the nearby hills. The Cubbons have been busy ever since they came down from San Francisco in March, adding to their pretty house and garden in which both are so interested. When not engaged in working around their place, this energetic couple digs cockles on the beach, or goes fishing. They entertained a guest at a fish dinner last Tuesday, at Half Moon Bay.

* * *

A twenty-four pound bass was caught on Monday by a fishing party from town who took to the sea in one of the Stuart boats for the afternoon.

* * *

Mrs. Bicknell's dog, "Mac" who grew so big that he became something of a problem in his home town, and had to be given away, is now the property of Mr. and Mrs. Kearns, of Pedro, (not the Rosses) where he will have several little children to romp with him. So, as "Jennie B." observes, "Pedro has a new resident."

* * *

The "Clipper Ship" at Shelter Cove attracted many visitors during the holidays, interested in the novel display of art and sea treasures there.

* * *

The road from the highway into Pedro has been mended, the holes filled and smoothed over, to the gratification of motorists passing that way.

* * *

Mr. Eustace of the moving picture industry, has brought three of the Beeler lots at Pedro, and is planning to build very soon. The new owner has acquired the potentialities for a grand garden in that rich soil, moist and fertile all the year round by reason of the many springs that abound there.

* * *

Edgar Bailey, formerly of Rockaway, and his wife and son are soon to visit at the family home, while the former is on his vacation. Edgar is employed in plane construction at San Diego.

* * *

Mr. and Mrs. Peter Haugaard have returned from Salinas, following a two week business trip.

* * *

Mrs. Lawrence of Pedro, who underwent a serious operation last autumn, is spending the summer at her cabin, and she declares her health is entirely restored.

* * *

Mrs. William L. Shawk of Rockaway was a visitor at the home of friends in Berkeley last week.

* * *

Mr. Barnes and several helpers accomplished good work on their roadside cabin, over the week end, with small daughter Carol looking on.

* * *

Mr. and Mrs. Pat Dempsey with their young son, "Two-Candle-Jackie," came down from San Francisco for a brief visit to Pedro on Sunday.

BROODING OVER JOB LOSS CAUSES STARK TRAGEDY

Electrician Helper Kills Foreman And Wounds New Employe

(Continued from Page 1)

trains from San Mateo County were being watched.

After interviewing several track officials and the wounded man, Patterson, Chief of Police Louis Belloni of South Francisco reconstructed the shooting as follow:

Gicconi had for six years held an electrician's job at the track, operating the "rabbits" and doing other chores required of him.

This year the Electrians Union had notified the track it must hire a journeyman electrician. As Gicconi was only an apprentice, Patterson was employed to fill the position.

When Kaiser and Patterson went to work this morning, preparing for the track opening on Saturday, Gicconi, according to Patterson, sneaked into the infield.

"He didn't say a word," said Patterson. "He just fired. First he shot me, but I managed to run away. Then he turned on Kaiser, who was stooping. He shot him twice in the back."

D. Clinton Parker, another of the track employes, endeavored to capture Gicconi, but the latter eluded pursuit and made his escape.

Officials of the track declared Gicconi had been heard to mutter angrily several times recently about the "injustice" of losing his job.

Friends stated Kaiser had frequently befriended Gicconi and fed him when he was broke during the past winter, and attempted to save his job for him.

Police were checking a report that Gicconi had told friends he killed a man in New Jersey fifteen years ago, but had been acquitted on a self defense plea.

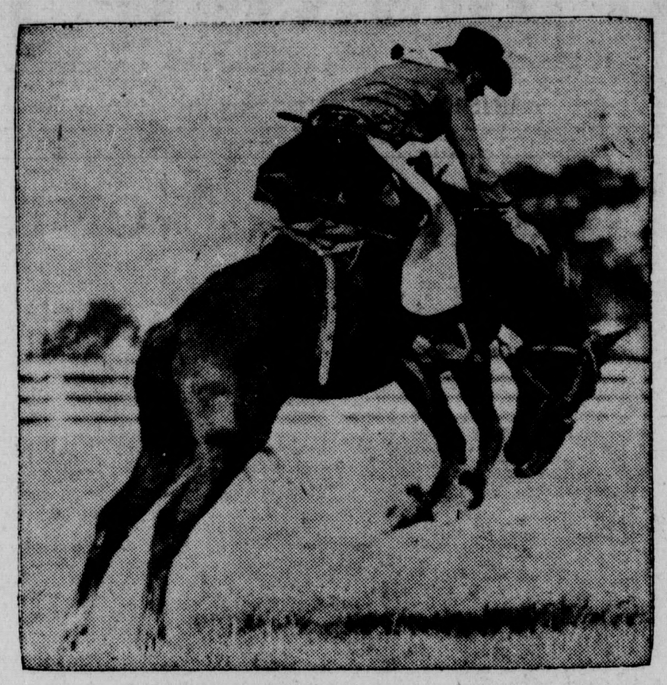
It has been learned that Gicconi was convicted, about fourteen years ago, in a New Jersey court, of the crime of murder and was committed to an asylum for the criminal insane, from which he was released several years afterward.

Up until a late hour, Thursday afternoon, the perpetrator of the shooting had been apprehended.

As a vamp who gets her men, Mme. Adrienne Guyot of Brussels appears to be in a class by herself. Although not quite 40 years old, she has confessed to having had 682 sweethearts, 50 of whom she married. Her batting average was approximately two sweethearts a month and two husbands a year.

By buying at home you stimulate the progress of your community.

RODEO GETS UNDER WAY



Real cowboys and cowgirls, who make their living on central California ranches, will provide thrills such as this as Madrone's fifth annual rodeo starts next Sunday, June 5.

Prevent Accidents And Save Money

The following letter from the manager of the State Compensation Insurance Fund is self explanatory:

"The board of education of San Mateo County established an excellent record for keeping down accident costs during 1936-37, and we take pleasure in enclosing our check for $2386.23 in poyment of the dividend consequently earned under this year's policy. The policy year ran from August 15, 1936 to August 15, 1937. We appreciate the co-operation which enables us to effect this saving for the board and desire to congratulate you on the result.

"The attention which you give to accident prevention and the reduction of accident costs will save money each year for your board. The welfare of those of your citizens who are employes of the board of education of San Mateo County is far more important, however, than is the saving of money. They are the people to whom accident prevention means the most."

Unnecessary Routine

Private Smith had been in the army a week when the sergeant asked:

"What do you think of the army as far as you've gone?"

"I may like it after a while," he replied, "but just now I think there's too much drilling and fussing around between meals."—Unidentified.

Billions Worth Of Gold Held In U. S.

Latest treasury statistics in the national capital showed gold assets totaled $12,910,715,000 and silver holdings $1,523,000,000. Continued political unrest in Europe and the Far East has caused a continued trickle of gold into this country during the past few months.

The gold holdings of the United States now close to $13,000,000,000, represent over half of the world's visible supply of the precious metal.

If you patronize Sun advertisers you help your home newspaper, and help yourself thereby.

CALIFORNIA WILL BENEFIT BY RAISE IN HIGHWAY FUND

Federal funds for allocation to the states for highway work in 1940 and 1941, once threatened with drastic cuts, now promise to be continued considerably nearer to the present level as a result of action in Congress last week.

Conferees representing House and Senate on the federal aid bill have agreed to raise regular federal aid for 1940 from $75,000,000 to the sum of $100,000,000 and to add $5,000,000 for "farm to market" roads in 1940 and 1941, making $15,000,000 for this purpose in each of the two fiscal years.

Previously the Senate had made drastic reductions in the bill as passed by the House. California's share would have been reduced by about $2,000,000 for the two years. If the increase made by the conferees is adopted California's share for 1940 will be about $3,887,000, or about $1,000,000 less than the present allotment, instead of the $2,000,000 cut previously threatened.

In 1941, as the bill now stands, California will receive $4,470,000, close to the current figure. Both of these allotments would be for regular federal aid highways. In addition, California would receive $582,000 each of the years for secondary or "farm to market" roads.

Under other provisions of the measure California would receive $750,000 in 1940 and $1,166,000 in 1941 for assistance in grade crossing elimination; and $1,400,000 in 1940 and $1,900,000 in 1941 for national forest highways, roads and trails.

WIFE OF EX-ENVOY DIES

Wife of the former Norwegian Minister to Paris, Mrs. Garfield King Gade of Chicago, passed away, Saturday of last week, at an American Hospital in that city.

Pleasant Pastime For Worthy Cause

The ladies in charge of the Daly City Well Baby Clinic, Mrs. Mazie Boyle, Mrs. Marge Woodside and Mrs. Eva Page, will hold a whist party in the clinic room at 3298 San Jose avenue, Wednesday afternoon of next week at two o'clock.

The whist is being given to purchase needed equipment for the clinic.

Following the game, home made cake and coffee will be served. Come and bring your friends and help a worthy cause.

Thieves who raided Sallie Herndin's chicken house at High Point, N. C., left this sign: "All your chickens are gone."

Dictators NEVER DEFY THEIR PEOPLE-THEY Delude Them

AMERICA CAN learn by watching the death of political freedom in other countries. Dictatorship is won and held not by force and defiance but by trickery and delusion. In every country, the technique has been the same. First, freedom of the press disappears, and the people lose their voice. Second, in the interest of national unity, people are told what to think, what to say, what to do. Third, the subservient press is compelled to release propaganda designed to create unanimous favor for the plans, personalities, and isms of those in power. Through the destruction of a free press, the people become inarticulate. America will always remain a nation of free people as long as the American press remains free. Your newspaper is your partner in the responsibility of perpetuating American liberty. Protect it—support it—for its welfare is your welfare—its freedom is your freedom.

A hayloft round-up dance will be held here from 9 to 12 p.m., Friday June 10. Come in your dude ranch outfit or overalls and aprons, etc. A good time and frolic is promised for all ages.

AT SEVENTEENTH DISTRICT DINNER

At the Seventeenth District dinner, held in San Francisco in the Furniture Mart, Wednesday evening of last week, General Pershing Unit had the pleasure of having present Mesdames Mazie Boyle, Anne Eason, Sadie Walsh, Bessie Gimovsky, Marjorie Woodside and Rose Gardella, all past presidents of the unit, and Mrs. Ilda Marquis, president-elect. Mrs. Alice Brian, principal of the school, was an honored guest.

The General Pershing Unit enjoyed the distinction of having sold more tickets for the District dinner than any other unit in the Seventeenth District. During the dinner, the president, Mrs. Rose Gardella, was presented a program award certificate.

Armstrong Wins; Ross Quits Ring

Little Henry Armstrong of Los Angeles won the world's welterweight championship recently in a spectacular 15 round decision over veteran Barney Ross at Long Island, N. Y. Several times the referee asked Ross if he wanted to quit, so badly was he bruised, but the ex-champion stayed the limit. Armstrong, called "Little Joe Louis," is shown here escorting his beaten rival to the latter's corner. Ross announced his retirement from the ring after the fight. The loser stood to gross some $54,000.

Bookmaking Case Again Continued

The case of two Daly City men, arrested on May 7 and charged with bookmaking by local police, has again been continued, this time to Thursday, June 16, when they are scheduled to appear in the court of Judge Wade H. Clay for preliminary hearing.

The defendants were released on bail of $250 and $100. At the time of arraignment motion for reduction of bail was denied and preliminary hearing set for May 19. A continuance was requested and granted and the case again set for May 26 and again continued to June 6 on motion of defendants.

The last continuance, on motion of the office of the district attorney, was granted to Thursday, June 16.

BAYSHORE PTA

Mrs. Beatrice Jeppesen, Publicity Chairman, 344 Acacia St., Elk. 1114

The Bayshore P. T. A. held its regular May meeting at the school Friday afternoon, May 6. Mrs. Ann Hubbard, editor of "Friendly Neighbors" column of the Examiner, gave a very interesting talk.

* * *

Don't forget the P. T. A. whist to be held at Voters League Hall June 17 at 8 p. m.

* * *

The annual school picnic of Bayshore was held on Monday, May 19, at Golden Gate Park. Besides the children and teachers many mothers and pre school children were present.

* * *

Bayshore Unit was well represented at the state convention recently held in San Francisco, and we are proud to state that Bayshore Unit received three state awards this year; a standard award, first prize for adult peace poster, and a program award. Our Founders Day program was displayed in state office.

* * *

The press breakfast at the Palace Hotel was one of the most outstanding events of the convention. Over 575 were present; five of our members were on hand to represent Bayshore, Mrs. Gaines, Mrs. Byrnes, Mrs. Ford, Mrs Franzen and Mrs. Jeppesen.

* * *

At the Fathers Night meeting Dr. Artman said sometimes he doubted if Fathers were parents—We can't have Father so abused—Come on Dads, stand up for your rights. Show us what kind of a P. T. A. member you are.

* * *

Our traffic boys made a good showing in the parade Friday, May 27. They received third award for out of town schools.

* * *

Over 400 members of the Seventeenth District attended the dinner at the Furniture Mart, Wednesday, May 25. Bayshore Unit was well represented. Mrs. Gaines, Mrs. Byrnes, Mrs. Franzen, Mrs. Ford, Mrs. Wentworth, Mrs. Filarski, Mrs. Dufford, Mrs. Plumb, Mrs. Bethune, Miss Taylor and Mrs. Jeppsen were there. Mrs. Miller, president of the Seventeenth District, presented the unit presidents with the program awards.

SECOND ANNUAL CUBBEREE HELD

Cub Pack No. 141 is to have another week in camp this year. The one held in the Daly City Bowl last year was very successful, so it is an anxious group of Cubs who are awaiting the opening of the session this season. The Cubboree will be officially opened on Friday evening, June 10, with an appropriate campfire ceremony.

The Cubmaster, Joseph Straughan, will be in charge at the Cubberee. He will be assisted by a staff of Den chiefs from Boy Scout Troop No. 141. Glenn Goode will serve in the capacity of assistant director. Frank Pate will be Cubberee clerk. Donald Laston will edit the Cubberee Chronicle, a daily bulletin of camp activities. Kenneth Claussen is slated for chef, with Richard Russell as his assistant. John Mosman will be grubmaster and Robert Sutherland will occupy the post of Cubberee warden. Buddy Pzribarowski and Allen Rigler will divide the duties of campfire program directing between themselves. Richard King will direct physical exercises and games.

From all indications, this year's session will be even greater than the one last year. A thorough program of handicraft and kindred activities for the cub age boy is being worked out.

GOES WAY OF ALL DRUNK DRIVERS

Joseph Dansbie of 275 Alexander avenue was arrested, Tuesday of this week, by local police and charged with driving while intoxicated.

He was seen driving south on Mission street in an erratic manner, and consequently was arrested and held, bail being set at $50 cash. His machine was incarcerated in a local garage.

Wednesday of this week, at 11 o'clock in the court of Judge Wade H. Clay, Dansbie was sentenced to 60 days in the county jail at Redwood City.

BRISBANE

A GOOD PLACE TO LIVE!

BRISBANE GENERALITIES

We are all very sorry to hear of the illness of Virginia Bhend.

* * *

The firemen are beginning to push Fourth of July celebration, and we begin to hear vibrations through the underground grapevine that they are again looking for a queen. Come on girls, smile your prettiest.

* * *

Don't forget the vacation church school starting June 13 at 9 a.m.

* * *

You know, folks, with the general clean up campaign going on around the bay area, it is a good time for some of our residents to take a part. The drug store and Butch's are good examples of what a little paint will do. Mr. Gall has been working nights modernizing his store and several other of our main stem merchants have been busy. We suggested to one the other day that a few calouses on his hands instead of the shine on his trousers would go a long way to improving their corner.

* * *

Mr. Balzer says he is peeved at our mistake of crediting him with the loss of only eight teeth when in reality it was fourteen. So sorry.

* * *

Our local school graduated a good class last Thursday; and it is expected that all of them will go and help to build the reputation of the local school. Good luck to all of you.

* * *

At the firemen's barn dance, Mr. and Mrs. C. Knaus were presented with a beautiful coffee urn set for their eighteenth wedding anniversary.

* * *

Mr. Norman Brown won a rooster donated by P. Lyons at the barn dance. Mr. Weston McIntosh won a rabbit. Mrs. Joe Devlin won the 87-piece dinner set. Mrs. M. Krull, a former Brisbane resident, won the hog calling contest.

* * *

By the way folks, with all this chamber of commerce weather we have been having, it has naturally dried out the weeds to the extent that fire hazzards are greatly increased.

* * *

You all know our roads are narrow and parking directly opposite one another will block the roads, causing loss of time for the fire trucks in case of emergency. Watch your parking as it might be your home they are trying to reach.

* * *

We regret to hear of the death of Mr. Jack McGrath last Monday.

* * *

Mrs. Bernice Coffin was in the hospital for a few days, returning home last Saturday. We hope she will continue to improve.

* * *

Rosie says she is on a diet, and gained three pounds. My those five doughnuts were good.

* * *

Mrs. F. Schmidt and Mrs. L. Lewis are giving a stork shower for Mrs. Gus Wehmeir at the fire house, June 6.

* * *

We hear tell that the non-partizan league are attempting to solicit WPA funds and labor to install much needed water pipes and fire hydrants.

* * *

Mr. and Mrs. William Manbeck have purchased the restaurant at Jack's Service Station. They are old Brisbane residents and we all hope for their success.

FOUND GUILTY IN DOPE CASE

Lillian Moore, alias Herald, was found guilty, by a jury in the Superior Court of Judge A. R. Cotton, Saturday of last week, at Redwood City. The jury returned its verdict 19 minutes after the case was submitted at 11:13 a.m.

The Moore woman was arrested by state narcotic agents at the Highway Inn, Colma, February 9 last. She was charged with two counts, one for selling narcotics and another for operating a place where narcotics were sold illicitly. The jury convicted her on both counts.

William Sarrott of Blockley, Eng., directed in his will that his debts be paid and the remainder of his $17,000 estate be divided among his four dogs.

RACING PLEA IS DENIED TO FIESTA BY COMMISSION

Board Believes Protests Sufficient To Sustain Action For Refusal Of Dates

(Continued from Page 1)

sembled. One came from Mrs. Harry S. Dana, saying she represented "many citizens," and reminded the board members of petitions presented when the request was made in January of this year.

Another telegram, signed by the Rev. C. G. Osborne, read:

"Churches of San Mateo County emphatically protest against using county funds for race track. San Mateo County citizens have borne a great deal. I can promise you that a tax raid for race track purposes would produce an outburst of something more potent than indignation."

Early in the year, when an open hearing was held by the San Mateo County Board of Supervisors on a request from the Fiesta Commission that the body be permitted to ask for racing dates, a large number of citizens were present and entered protests against the proposition and numerous written protests were also submitted, with only two persons favoring the commission's request. The supervisors, however, failed to heed the pleas of these protestants and authorized the commission to proceed with the request for a racing permit.

The dates asked were September 30 through October 6, excepting Sunday, October 2.

Members of the racing board, after listening attentively to the pleas of the Fiesta Commission representatives and asking numerous questions, among which was the query as to what purses it was planned to offer for the racing events, were told they would be the same as usually given at county fairs. Chairman Burke remarked:

"I can say to you frankly your race would be a flop."

"We're really doing you a favor by turning it down," added Henry P. Russell, board member from Burlingame and Carmel.

Commission representatives said the fiesta commission had every expectation of making money on the races, to add to the fund for erecting fair buildings. They declared the fact that Bay Meadows would be about to open a regular meet in October should bring good horses to the track.

S. M. Haskins of Los Angeles made the motion to deny the request and it was seconded by Russell. Chairman Burke then told the petitioners the refusal was "without prejudice" to any future requests which might be made.

The Wonder of It

"Pat, Pat!" said the minister in reproach, "sinners stand on slippery ground."

"So Oi see, yer reverence," said Pat, "but faith, it's more than Oi can do."

CALIFORNIAN WINS RACE CLASSIC

Floyd Roberts, race driver from Van Nuys, Calif., who won the twenty-sixth annual 500 mile Indianapolis speedway event, averaging 117.2 miles per hour. The 38 year old driver, who was dragged from the remains of a twisted racing car in the event two years ago, drove his red and black four-cylinder car around the brick track 200 times in 4 hours 15 minutes 58 seconds to break Wilber Shaw's record before an estimated crowd of 175,000.

COMMUNITY CHURCH NEWS

Sunday morning church school at 10 a.m., with preaching service at 11 a.m. at the Fire Hall. Rev. Merlin C. Donaldson's sermon topic is, "What of Tomorrow?"

Plans for the vacation church school are rapidly going forward with a well rounded program in view for all those attending. The starting date is June 13 at 9 a.m. Those planning to attend are asked to register Friday afternoon at 4 p.m. to 5 p.m., June 10, at 300 Klamath street. In order to eliminate clerical duties, it is requested that as many as possible register at this time.

* * *

The Christian Endeavor is having a traveling dinner tonight, going to different homes for the various courses. A good time is anticipated.

"Does your wife have an allowance?"

"We tried it but it didn't work."

"How was that?"

"She always sent it before I could borrow it back."

After Separation Couple Married

Two sweethearts who were parted half a century ago by a misunderstanding, were honeymooning, early this week in Montgomery City, Mo., after a wedding attended by their great-grandchildren.

William W. Hutcheston, 76, East St. Louis, Ill., and Mrs. Price Gosnell, 75, St. Louis, met last spring for the first time in 47 years. Their broken engagement of 50 years ago was renewed.

Hoosier Girl Wins Spelling Classic

The 14th national spelling bee was won by Marian Richardson, an Indiana farm girl, aged 12, in Washington, Tuesday of this week.

She defeated Jean I. Pierce, Buffalo, N. Y., in the final, after 20 other contestants had been eliminated. Victory came when she spelled "pronunciation" correctly.

Plane Trip Saves Time For Matron

Miss Sara Elizabeth Wells recently celebrated her ninetieth birthday with an airplane visit to Cleveland and back. It was her first flight and she found it "just fine."

She completed in a few hours a trip that would have colled for weeks of planning and days of traveling when she was a girl.
